

JOHNS CREEK CITIZEN ADVISORY COMMITTEE (CAC)

Johns Creek needs residents of the city to volunteer and participate on the Comprehensive Plan Update Citizen Advisory Committee. The Citizen Advisory Committee (CAC) is scheduled to meet four times during the comprehensive planning process, starting in September 2016 and finishing in March 2017. The CAC will advise the City's Comprehensive Plan consultants and staff in reviewing the various components of the Comp Plan, including, but not limited to: any proposed changes in land uses; proposed improvements to our city's transportation routes (both vehicular and pedestrian); potential locations for a town center; recommendations on land conservation and preservation; and policy recommendations on how the city should grow over the next ten to twenty years.
